

PRIVILEGE OF THE FLOOR

The Board's meeting agenda for each Regular and Special meeting shall include an opportunity for persons in attendance to be recognized by the Board and offered an opportunity to address the board.

Each person wishing to exercise the privilege of the floor shall identify themselves and shall be allowed five minutes in which to address the Board on matters of interest, however the Board may vote to extend such time period. Should the matter to be presented require more than five minutes, the President may require a summary statement to be prepared and distributed to the Board prior to the meeting at which the presentation is to be made. The total time dedicated to extending privilege of the floor shall not exceed thirty minutes, provided, however, that the Board may agree to allow more time if warranted.
